March brought us to thinking about spring and we started looking at the signs of the new season from blossom on the trees to spring flowers growing. We made pictures of trees with tissue blossom and we drew pictures of daffodils.

We also made cards and gifts for our lovely mums for Mother's Day.

At the end of the month we turned our focus to Easter, making animal themed Easter cards as we began our learning on lifecycles and change.

Our role play has continued its theme of the local environment with a focus on the post office and library which fitted in well with 'world book day'. Staff and children dressed up in favourite characters including Pete the cat, one of our popular books at Preschool.

Our role play then moved onto a coffee shop with some lovely playdough cakes and tissue paper ice creams.

In the Easter holidays we will host an Easter play session, watch out for the poster on the gate, our website or facebook for further details of the date. A great time to come and see inside the Preschool.

Interested in finding out more and booking a place for your child? Contact **[enquiries@barhillpreschool.co.uk](mailto:enquiries@barhillpreschool.co.uk)** or call **01954 782892**. You could also visit our website [www.barhillpreschool.co.uk](http://www.barhillpreschool.co.uk) for an enrolment form.

Children are offered places from the term after the child's second birthday. We are open 9am-3pm in term time only. Funding and Childcare payment schemes are accepted.

Hi all,

Thank you to everyone who came along to support our Charity Afternoon tea, which was held in the Bar Hill Sports and Social Club (BHSSC) on Friday the 8th March, in aid of the Alzheimer's Society. At last count, with your generosity, we have raised £498

Special thanks have to go to Tesco, Paul Emeny (the Mobile Fishmonger – outside the BHSSC on most Tuesdays 1.30 – 2.30pm) and Mo's Charcoal (Turkish takeaway van – outside the Fox on Saturdays 5 – 11pm) who all donated some lovely raffle prizes. Also thank you to everyone who donated sandwiches, savoury nibbles, cakes and raffle prizes. Big, big thanks to everyone who assisted on the day with helping to set up, selling the raffle tickets and clearing up after the event. Hope I haven't forgotten anyone.

Dear Residents,

A new Hearing Aid Maintenance session, every 1st Wednesday morning of the month from 10am to 12pm at Bar Hill Community Church, the Meeting Room, Viking Way CB23 8EH.

The venue has free parking and is wheelchair accessible. No booking necessary, just drop in.

My name is Gerry Robinson, and I am the new CDA Hearing Help Champion looking after Cambridge City Centre. CDA is enjoying being back in Bar Hill after Covid, and we have seen some familiar faces and lots of new ones in our last two sessions. In these sessions we maintain NHS supply hearing aids, replacing tubing and domes and supply hearing aid batteries.

I love doing this job as people leave our sessions with huge smiles on their faces and I know through personal experience the impact hearing loss can have on people's physical and mental wellbeing. My mum recently had to start wearing hearing aids and prior to this she had become quite depressed, unable to join in conversations or talk on the phone to friends and family. She was becoming isolated, stressed, and angry. Thankfully, that has now all changed, and the aids have even helped with her balance, allowing her to walk her dog more confidently and get a bit of exercise. Wearing hearing aids has had a huge impact on my Mum and it's fantastic knowing that by running this service, I'm part of a team that are doing the same for people all over Cambridgeshire.

Our service also provides a wonderful volunteering opportunity either as a Technician or Receptionist, full training is given. Please get in touch if you might like to find out more information on our volunteering roles. Tel. **01223 416141** or email [su.fletcher@cambsdeaf.org](mailto:su.fletcher@cambsdeaf.org)

## Bar Hill Church Knit & Natter

We continue to meet regularly on a Thursday afternoon from 1.30 until 3.00pm at The Octagon. All are welcome.

As a well established friendly group, we enjoy knitting and are all very good at "nattering".

Our aim has always been to welcome and encourage people to join and meet old friends and make new ones. Also to encourage people to use their knitting skills to make things that other people need anywhere there is a need.

We have made vast quantities of baby clothes, scarves and hats for children and adults wherever the need arises in this country or another. We recently made a number of blankets to go into Food Bank parcels at Christmas.

We are always very grateful for donations of wool for our projects if anyone has any spare.

Thank you for recent donations they are greatly appreciated.

During our afternoons together, as well as knitting and nattering, we have a regular exercise slot when Wendy

keeps us stretched and strengthened with fun exercises. (soon after that we have tea and cakes !!)

Are you interested in joining us? Either phone me or just turn up on a Thursday afternoon. We look forward to seeing some new faces as well as our lovely familiar ones. P.S. You don't have to be able to knit to join us, we are very happy with nattering. Sue Kenchington **780260**.

## Olive Tree Bereavement Group

Spring is now officially here, and the clocks have gone forward; it becomes dark later in the evenings, and it heralds new beginnings for many, and not just in the garden. Most of us look forward to spring, but for others, it can be overshadowed by thoughts of loneliness or loss, which can be difficult to cope with. This is where the Olive Tree group can help.

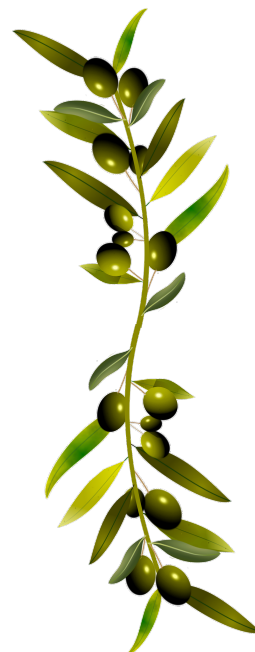

Our meetings are held at 10.30 am on the second Saturday of the month, in the Octagon, and the next one will be on Saturday 13th April. We would love to see you whether you are a regular member, a new member or if you have never been before.

We are a very welcoming group where you can talk freely and where confidences are always respected. There will be time to share your experiences, join in discussions and get to know others in the group.

If you are not sure whether the group is right for you, please phone one of us to discuss it. We welcome all newcomers but would ask that you come at 10am so that we can explain the format.

The leaders, who are CRUSE trained, and the other members of the group will offer a warm welcome, and you will meet other people who have been through loss and who understand the pain and difficulties that this brings.

For more details, telephone Sue Kenchington at **780260**, Chris Stannard at **781978**, or Maggie Cox at **488657**.

# BAR HILL DISTRICT COUNCILLOR'S REPORT

Cllr Bunty Waters - [bunty.waters@ntlworld.com](mailto:bunty.waters@ntlworld.com)

01954 201421/ 07734 690580

Welcome if you are new to the village, meet me in the HUB on Monday mornings for a coffee, you can contact me if

I can help in any way or you would like more information

What a welcome sight are the daffodils, even though we have had so much rain, those that were planted many years ago by, I believe the Guides, under the road signs are an inspiration for forthcoming Spring.

## **Forthcoming Election: May 2nd 2024**

<https://www.electoralcommission.org.uk/voting-and-elections/voter-id>

## **Council proposes over £200,000 of further cost of living support**

Plans for a further cost of living support package for residents, worth more than £200,000, have been published by South Cambridgeshire District Council.

The proposals include a roadshow of cost of living talks, support to transform some Warm Hubs into Community Wellbeing Hubs, increasing awareness of Council Tax support, more free energy saving appliances and the creation of a South Cambridgeshire Sustainable Food Network.

The proposals build-on a package of almost £400,000 of support which was agreed by the Council last year. Just over half of that initial funding came from the Cambridgeshire and Peterborough Integrated

Care System (ICS) to support community-based programmes tackling prevention and community engagement.

A large scale Council Tax communications campaign is being proposed, to increase the number of eligible people who are aware of, and subsequently claim, finance help towards their Council Tax Bill. More deprived areas would be targeted with communications, to help inform people of their potential eligibility.

## **SCDC has agreed funding to protect ATM machines**

There are ways that the public can help police anticipate and stop ATM cash machines being ram-raided. You can:

- :install trackers on high-performance cars and heavy vehicles, such as Transits and flat beds, which could be used in a ram-raid.
- :raise concerns if anything doesn't feel quite right, such as plant vehicles travelling during the hours of darkness, or that are not usually in the area and appear to have been left parked for a few days.
- :consider installing video doorbells or CCTV on your home, which could capture something vital
- :report anything suspicious, including anyone taking photos or attaching 'out of order' signs to ATM machines.

If you have any information or concerns, report to Police online or call 101, quoting Op ATMosphere.

Always call 999 in an emergency.

## Crafts Shed - April 2024

CraftsShed members continue to meet in the Octagon Meetings Room, on Thursday Mornings from 0930 to 1230. Whilst extremely grateful to the Leadership of Bar Hill Church for letting us do this we still require new accommodation. We are working with both the Parish Council and County Council to help find and secure a suitable venue. The new storage shed has been erected behind the Octagon. This has been funded by a "Community Chest Grant" from South Cambridgeshire District Council for which we are extremely grateful.

CraftsShed is a Registered Charity supporting our local Community. Many various benches have had a makeover in our village in the Children's' Playground, Tennis Courts, Allotment Society and also near to the Scout Hut. Other items repaired / upgraded are a Rocking Chair, Garden BBQ Trolley. Please visit our Website @ <https://craftsshedbh.wixsite.com/barhill>

Individuals will continue to help make items, and as a group we will undertake small projects for our Community. The new shed which is for storage only will enable us to continue to make items.

On a Thursday Morning there will be a display outside of the Octagon weather permitting. We have some second-hand tools that will be available to sell for a donation

We don't only meet for coffee / tea but also arrange a trip out to places of interest. As you read this article we will have visited the Fitzwilliam Museum looking at wooden tools in Egyptian times. This was a most interesting visit. Other visits will also be arranged. If you are over 18 and would like to come and join us, please contact Chris or Nick below. We look forward to welcoming new members.

## Wildlife friendly gardening in April.

The warmer days mean we can start sowing seeds for summer blooms. Sunflowers are a firm favourite for children ( of all ages) and provide nectar for bumble bees as well as seeds for birds in the autumn. Many attractive plants have more than one use in the wildlife garden companion plants, such as marigolds, and nasturtiums are great for attracting pollinators, some of which will be natural predators, lacewings and hover flies to help control aphids. Herbs such as oregano and thyme are great for cooking, but leave some to flower as they're a good source of nectar for insects. Chives and other scented herbs can also help deter aphids from prized plants, including roses. Borage flowers are a super nectar source for bees and the leaves (soaked in water for one to 2 weeks) can make a free liquid plant food.

## Bar Hill Tennis Club- New Season

[www.barhilltennisclub.co.uk](http://www.barhilltennisclub.co.uk)

Our new adult Club night season starts 18.30 on Tuesday 9 April and we welcome players of all abilities. Why not give tennis a try this year and just turn up on one of our Club nights!!

Our membership rates are very competitive and entitles you to play at any time including Club nights. You may also invite guests to play with you subject to paying the guest fee. Check out our website for details!

Unfortunately our planned "Open Day" on Saturday 13 April at 3pm has had to be cancelled as our recently appointed coach has now advised us that he cannot commit to Coaching at our Club. This is very disappointing but we will continue to seek a replacement coach.

Just a reminder for all current members that all memberships are due for renewal on 1st April and as usual the court access code will be changed from that date. 2024-5 membership details are available on our web site and you can join and pay on-line.

There is an active WhatsApp group for members to share information and find playing partners.

If you would like a "taster" your first visit to our Club nights is free – why not give it a try.

Courts can also be hired for private play including under floodlights via our website.

Our Adult Club nights are Tuesdays & Thursdays 6.30 to 9pm and Club nights start Tuesday 9 April 2024 (or earlier if the weather permits). We look forward to seeing you!

## Hedgehog Fact

Hedgehogs were named for their unique foraging methods.

Their long snouts also provide a strong sense of smell, and their curved claws make them exceptional diggers, both of which are necessary for these nocturnal hunters.

# BAR HILL COUNTY COUNCILLOR'S REPORT

Cllr Edna Murphy - [Edna.Murphy@cambridgeshire.gov.uk](mailto:Edna.Murphy@cambridgeshire.gov.uk)  
01223 577005

## A14 Bridge – Further Works Planned

Like everyone in Bar Hill I was disappointed that the works done on the bridge previously were only on the other side of the structure. I have continued to press for improvements and now am encouraged by the news from officers of their plans to address the problems on the Bar Hill side of the bridge. I have been informed that council staff are currently working on applying for the road space to implement this remedial surfacing work. The proposed works are looking to commence in the second half of May for two weekends with night time road closures to enable the full width of the surface to be repaired at the interface between the National Highway bridge and embankments. However the dates still need to be confirmed so please consider this provisional for now.

## Reducing Carbon Use

The Council established a Decarbonisation fund to help manage our carbon emissions from its existing buildings, over which it does have direct control. As of January 2024, there were still 26 Council buildings (excluding the commercial and education estate) heated by gas and 3 using oil, that do not already have a project in progress. This only includes buildings for which the Council is the energy bill payer.

Criteria for investment in decarbonisation include that it must involve a low carbon heating system such as air source/ water source/ ground source heat pumps. The heat demand of the building must be considered too. The design could include energy efficiency measures and upgrades to the fabric of the building (e.g. insulation, draught-proofing, LED lighting) or to other elements of the plumbing and heating

system (e.g. radiators, controls), and/or on-site renewable energy generation (such as solar PV). One of the proposed buildings is the Bar Hill Library. If it goes ahead with air source heat pumps, double glazing and solar PV it could have an estimated annual carbon savings of 9.4t CO<sub>2</sub>.

## Balancing The Budget

We successfully closed a funding gap of £37.4m, with 75% of the Council's net spending now being funded from Council Tax. Councillors prioritised a number of key areas, based on residents' feedback from last summer's Quality of Life survey. The budget:

- sustains critical adults' & children's social care services,
- includes record levels of highways funding to strengthen and improve the standard of roads and pavements, including tackling potholes, weeds and gulleys—in direct response to residents' concerns,
- prioritises support for vulnerable communities, including continuing to providing holiday supermarket vouchers for those children most in need.

## MEMORIAL GARDEN UPDATE

Many thanks to the Team, for all those that continue to weed, water the garden as required, your help is appreciated.

Spring is now here and we can see the bulbs pulling through and the plants beginning to change.

Memorial Garden Sleepers. As reported previously these are in need of replacement as soon as practicable. We have a quotation from a Professional Landscaping Company. Costing £3900.00p this was a figure last year and so we are expecting the figure to have increased substantially, due to the ever rising costs of wood in the building trade. We only have £1500 towards this cost we are therefore appealing to our Community to help fund the replacement sleepers. The plaques will be preserved in a manner that we can transfer them to the new Sleepers. This matter is now extremely urgent.

Following an application the Parish Council, The Community Association, and the Co-Op have all kindly made donations. We are in the process of applying to two other Charities in order that this work can move forward in the next few months.

However, can “YOU” also help financially towards these being replaced. Cheques may be left at 7 Acorn Avenue, made payable to Bar Hill Memorial Garden or alternatively paid directly into Bar Hill Memorial Account at the Cambridge Building Society Account Number 1768402740 If you wish to talk to someone re a donation then please phone Chris on the numbers below. Thank you to those who have given financial support for this work.

Girlguiding has a long history of empowering girls and young women to be their best.

From a small handful of girls who gatecrashed the first-ever Scout rally, demanding 'something for the girls', Girlguiding has grown into a vast and vibrant network of members across the UK.

It's been over 100 years since Girlguiding was established, and our members are still pushing boundaries and achieving great things.

### **How will your Girlguiding story start?**

In Bar Hill, we have a Rainbow Unit, 2 Brownie Packs and 1 Guide Unit. Recent activities include sleepovers, learning new skills and Christmas crafts. With the better weather around the corner (hopefully...) we will be spending more time out and about enjoying the great outdoors.

# Bar Hill Primary School

In March, we celebrated World Book Day. We enjoyed a day of creativity as we explored the links between stories and music in celebration of World Book Day. We all started the day with a shared reading session, giving children the opportunity to read with different year groups, before exploring stories that have inspired orchestral pieces. We used the Rainbow Fish, Peter and the Wolf and Sheherazade to support collaborative artwork across the school, and have created some incredible displays in the studio.

As a school we are taking part in 'Veg Power, Eat Them To Defeat Them', an

award-winning campaign from Veg Power and ITV that gets children eating vegetables. Nationally 80% of children are not eating enough vegetables, with a third eating less than one portion a day. Our mission is to inspire every one of our children to love vegetables and share that joy with you at home. Children were given a reward chart and sticker pack with instructions on how to implement these at home. Our food buddies are also armed with helpful advice, encouragement and rewards in the dinner hall. Check out this website for more information <https://vegpower.org.uk/eat-them-to-defeat-them>.

We had an excellent end to the half term with a concert from the AMAZING Megson! We were treated to a range of their songs as well as plenty of opportunities to sing and dance to some familiar tunes! A huge thank you to Stu and Debs for visiting the school, and a big thank you to the PTA for their support in funding the concerts! Please look up their music on YouTube and on their website – they are a local band who tour regularly and are spectacularly easy to listen to (and mighty catchy)!

For further information on what to do next, and to download the Pregnancy Self-Referral form, please visit the web page below: <https://www.cuh.nhs.uk/rosie-hospital/maternity/pregnancy-pathway/>

Once you have completed the form, email it to their booking line admin team on [cuh.cmwnewbooking@nhs.net](mailto:cuh.cmwnewbooking@nhs.net) (all instructions are on the form).

For women who require a translator, or who don't have digital access, please call 01223

Many of our patients will be sad to hear that Dr Suter has finally hung up her stethoscope and fully retired from the Willingham Medical Practice team. You will be aware that Dr Suter semi-retired from her partnership but did continue to step in as a locum GP when we needed her. All the staff will miss her and we are sure that the wider community will join us in wishing her well in her retirement, when she intends on spending lots of time with her family.

## 1st Bar Hill Scout Group

Bar Hill Scouts now has four sections: Scouts, Cubs, Beavers and our latest section, Squirrels, for the 4 to 6-year-olds. They started in September and are having a lot of fun and starting to learn new skills.

The Beavers are enthusiastically tackling their programme and enjoy a sleepover with lots of games.

Cub Scouts enjoy a busy programme, learning new skills and craft projects, and attending group camp.

Scouts in our senior section had a weekend camp with many activities and cooking all the meals. The Scouts are looking forward to a summer camp in Holland and are raising money to help fund it.

Last but by no means least, a warm (we have just had new heating installed) welcome to Bar Hill Guides, who are now sharing the Headquarters.

We can be contacted about children joining or adults helping at

# Bar Hill Childminders

Bar Hill Childminders are all graded 'Good' on their latest inspections, are fully insured and have Paediatric First Aid training. We offer quality, caring, home from home care with a wide range of exciting experiences for the children, both within our settings and the local community.

We regularly go on walks, outings and attend local groups to help the children socialise. We find having a wide range of ages benefits all the children in our care, it helps the younger children's confidence and encourages the older children to be patient and understanding with the younger children, helping them learn and progress.

We accept the 2,3 and 4 year funding and the Government Tax Free Childcare payments.

As we are busy during the day with the children, please text us your enquiry with details of your requirements and we will contact you as soon as possible with our up to date availability and hourly rates.

Jacky – **07718447998** – ages 6 months upwards. Term time only and all year round care offered. No vacancies at present.

Kirsten – **07906218070** – ages 6 months upwards. Term time only and all year round care offered. No vacancies at present.

March was a busy month for us. As part of our learning about 'People who help us' we were lucky enough to have two very nice PCSO's visit our childminding group. They explained how they work hard to keep everyone safe, they showed us their police car and turned on the lights and sirens, they were very noisy! Thank you for visiting us.

For World Book Day we were able to use special vouchers to go the shop

and choose a £1 book each. We also brought our favourite books from home to share.

We had great fun making cards and presents for our Mummies for Mothering Sunday.

Despite the rainy weather we have been able to get out and about splashing in puddles, squelching through the mud and looking for blossom and signs of spring.

We're hoping for dryer weather so we can enjoy more play and learning outside. We'll be creating lots of spring and Easter crafts during April and learning about baby animals. We will start planting some seeds and planning what we will grow in the summer.
